Powerful Versatility
The CTL Chromebox CBx3 Series

These powerful, versatile mini PCs deliver future-proof performance to effortlessly handle your most demanding workloads. A Chromebox from CTL is your utility player for everything from everyday desktop workstations to digital signs and kiosks.

Next-level performance
Advanced Intel processing and options for RAM and storage combine to deliver unmatched mini-PC performance.

Powerhouse display capability
Drive stunning visuals with support for up to four 4K displays from a single unit.

Easily configurable
Select the levels or RAM and storage you need, or work with us on a custom solution for your application.

Manage from anywhere
Deploy and manage everything easily using the power of the Google Admin console.

End-to-end services
CTL offers 1:1 program planning and advice, device configuration and deployment services, warranty and service plans, continuing care, and end-of-life trade-ins and recycling.

CTL customers also receive CTL perks including free ZTE provisioning, free shipping, and 5-day turnarounds on OEM-expert service.
