

Save Time, Money, and Hassle While Providing Students with the Latest Technology

The CTL CaaS (Chrome OS as a Service) Program

"Children should use their Google Workspace for Education account when accessing Google Services for school"

CTL's CaaS program enables you to reduce costs, stay up-to-date with today's technology, better manage your Chromebooks, and ease the burden on your IT personnel. Short and long term payment plans available.

Better Cash Flow

- Predictable, affordable monthly payments over a planned period of time
- Eliminate large upfront investment
- Payments do not start until devices are delivered

Reduced Costs

- Parts and Labor Coverage including Accidental Damage and 2-way return shipping
- Reduce day-to-day maintenance costs
- Lower cost of ownership

Better Manage Device Lifecycles

- Accelerated technology refreshes
- Seamless transition to new hardware
- Environmentally-friendly recycling of devices

More Flexibility

- Quickly scale up or down
- Not stuck with obsolete hardware
- Cancel program at any time*

Enhanced IT Productivity

- Fewer hours spent on repairs
- Reduce burden on IT resources
- Ease transition from old to new

Better User Experience

- Students and teachers always using the latest technology
- Broad selection of devices catered to school's requirements
- Less downtime due to repairs
