Taking Performance, Speed and Connectivity to a Whole New Level

The CTL Chromebook NL72 Series

★★★★★

MILITARY GRADE
MIL-STD 810H
MULTIPLE TESTS PASSED

The CTL NL72 Series is a "jack of all trades". You can choose from 4 or 8 GB or RAM, 32 or 64 GB of storage, touch or non-touch, clamshell or tablet, and with or without a USI pen. If you can't find the right model for you, it doesn't exist.

A True Workhorse

An Intel® Jasper Lake processor and up to 8GB memory and 64GB of storage give the Chromebook enough power to get important work done.
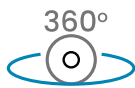

Flat-Out Better

A 180-degree lay-flat hinge offers flexible user interaction and reduces the chance of a broken hinge.

Faster and Smarter

Wi-Fi 6 ensures the fastest internet connection for multiple devices on the same network and Bluetooth 5.2 makes connecting to peripherals faster and easier.

Experience More

A unique 360° rotating camera enables flexible video creation and collaboration (NL72 Models only)

A Handy Solution

An integrated carry handle makes it easy to tote the device anywhere and reduces the chance of drops

Double Duty

USB-C ports are located on BOTH sides of the Chromebook for efficient data transfer, power delivery, and charging options
