

Built to Perform. Built to Last.

The CTL Chromebook PX Series

Built for toughness and endurance, the CTL Chromebook PX Series features the most advanced technology to deliver unmatched performance, speed, and connectivity.

Future-proof performance

The Intel® processor delivers 35% better overall performance than previous versions.

Buy or rent

Select from a variety of flexible purchase and device rental programs, only through CTL.

Stay connected and productive all day

Wi-Fi 6 and Bluetooth 5.2 deliver faster, smarter, seamless connectivity, enabling users to enjoy longer battery life.

Deliver rugged performance

PX Series Chromebooks are durable, with drop tests up to 75 cm as well as spill and peel-resistant keyboards.

Facilitate convenience

Two charging USB-C ports, a USB-A port, an audio jack, and a card reader provide an abundance of I/O options.

Make collaboration easy

An HD camera and integrated microphone empower versatile video creation and teamwork.

Choose flexibility

Configure the devices you need from the available touch and non-touch models and 11" or 14" screens. Select the levels of RAM and storage to fit your needs.

Ensure sustainability

Build a better future with CTL Chromebooks, offering a responsibly-sourced components, eco-friendly packaging, buyback, and electronics recycling end-of-life programs.

Rugged performance and sustainability

Performance. Durability. Sustainability.

CTL designs and manufactures the PX Series to withstand daily student use, delivering the power and durability they need inside the classroom and while on the go.

Control at your fingertips

10-point multitouch technology.
(PX14EXT model only)

Better, faster, stronger

Intel® processor CPU delivers 35% better overall application performance.

Durable for students
