

# Built to Perform. Built to Last.

The CTL Chromebook PX11EG

Built for toughness and endurance, the CTL Chromebook PX11EG features the most advanced technology to deliver unmatched performance, speed, and connectivity.

### Future-proof performance

The Intel® processor delivers 35% better overall performance than previous versions.

### Stay up to date

Always have the latest ChromeOS with automatic updates through June of 2031.

### Deliver rugged performance

PX11EG Chromebooks are durable, with drop tests up to 75 cm as well as spill and peel-resistant keyboards.

### Make collaboration easy

An HD camera and integrated microphone empower versatile video creation and teamwork.

### Facilitate convenience

USB-C and USB-A charging ports, an audio jack, and a card reader provide an abundance of I/O options.

### Ensure sustainability

Build a better future with CTL Chromebooks, offering a responsibly-sourced components, and eco-friendly packaging.

### Stay connected and productive all day

Wi-Fi 5 and Bluetooth 5.2 deliver fast, smart, seamless connectivity, enabling users to enjoy long battery life.

### Flat-out better

A 180-degree lay-flat hinge offers flexible user interaction and reduces the chance of a broken hinge.

## Rugged performance and sustainability

# Performance. Durability. Sustainability.

CTL designs and manufactures the PX11EG to withstand daily student use, delivering the power and durability they need inside the classroom and while on the go.
