Unlock Savings, Unleash Performance

OEM-Quality Refurbishment You Can Trust

CTL employs a rigorous refurbishment process to deliver original levels of performance.

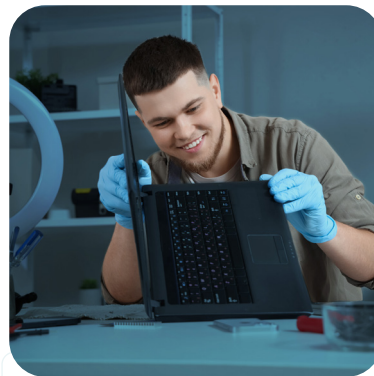

Have Old Chromebooks to Sell Back?

For organizations seeking responsible IT asset retirement and e-waste disposal, CTL is your technology lifecycle services partner. We simplify IT asset disposition to reduce your IT staff workload, secure sensitive data, and even potentially unlock the hidden value in your retired technology.

Avoid the used equipment auctions with CTL. Typically, you receive \$15 - \$40 per refurbishable Chromebook (AU 2029 or later) so you can leverage your reclaimed value toward new tech.

Talk to us about creating a Chromebook buyback valuation for you.

For school tech leaders stretched thin, CTL is more than a vendor—we're your strategic technology lifecycle partner.

CTL replaces transactional vendors with a side-by-side partnership, delivering the most complete set of award-winning product and service solutions that streamline the entire EdTech lifecycle.
