

CTL USB-C MINI DOCKING STATION FOR CHROMEBOOKS

One connection. Endless possibilities.

Works With Chromebook certified.

Empowering seamless collaboration and productivity, the CTL USB-C Mini Docking Station for Chromebooks provides enterprise and education users with versatile Chromebook workstation solutions. Enjoy easy ChromeOS updates, uninterrupted workflow, and fast performance.

Easily create Chromebook workstations

Plug and Play

As a Works With Chromebook certified device, this docking station meets Google's compatibility standards and works seamlessly with ChromeOS devices.

Work at speed

5 ports ensures you can connect what you need: monitors, keyboard, mouse, HDMI display, and Ethernet.

Manage easily

Pass through ChromeOS firmware updates with confidence.

Ensure sustainability

Build a better future with CTL, a Certified B Corp, offering responsibly-sourced components, eco-friendly packaging, trade-ins, and electronics recycling end-of-life programs.

Pair seamlessly

Combine this docking station with CTL's Chromebooks, companion monitors, and Works With Chromebook certified keyboard and mouse for complete compatibility.

Technical Specifications

This 5-port docking station offers 86W of pass-through power and 10 Gbps data transfer speeds for fast performance. Connect, work, and charge your Chromebook all at the same time. Plug in any peripheral you need: monitor, mouse, keyboard - even an HDMI display - in this single, space-saving solution.
