

## CTL USB-C PRO DOCKING STATION FOR CHROMEBOOKS

# One connection. Endless possibilities.

Works With Chromebook certified.

Empowering seamless collaboration and productivity, the CTL USB-C Pro Docking Station for Chromebooks provides enterprise and education users with versatile Chromebook workstation solutions. Enjoy easy ChromeOS updates, uninterrupted workflow, and fast performance.

## Easily create Chromebook workstations

### Plug and Play

As a Works With Chromebook certified device, this docking station meets Google's compatibility standards and works seamlessly with ChromeOS devices.

### Work at speed

14 ports ensures you can connect what you need: monitors, keyboard, mouse, HDMI display, Ethernet, even phones.

### Manage easily

Pass through ChromeOS firmware updates with confidence.

### Ensure sustainability

Build a better future with CTL, a Certified B Corp, offering responsibly-sourced components, eco-friendly packaging, trade-ins, and electronics recycling end-of-life programs.

### Pair seamlessly

Combine this docking station with CTL's Chromebooks, companion monitors, and Works With Chromebook certified keyboard and mouse for complete compatibility.

# Technical Specifications

This 14-port docking station offers 60W of pass-through power and 10 Gbps data transfer speeds for fast performance. Connect, work, and charge your Chromebook all at the same time. Plug in any peripheral you need: monitor, mouse, keyboard, headphones - even an HDMI display - in this single, space-saving solution.
