## IT Asset Disposition

### Painless, Certified IT Asset Disposition that Pays You Back

CTL simplifies IT asset disposition to reduce your IT staff workload, prevent data loss, and unlock the hidden value in your retired technology.

“CTL has completely transformed the way we manage student technology. What was once a significant challenge is now an efficient process. **Their speed, reliability, and constant support make a huge difference for our staff and families.**

Leah Weiske | Baker Charter Virtual Schools

“We recently replaced our WiFi equipment and needed the old devices removed from our premises. There were also other outdated items that still needed to be picked up, and they were more than willing to take all of it. **The process was smooth and hassle-free.**
