Children should use their Google Workspace for Education account when accessing Google Services for school.

CTL CHROMEBOOK

PX111M Series

The next generation of durable productivity is here. The CTL Chromebook PX111M Series features energy-efficient processing, future-proof Wi-Fi 7, and CTL's hallmark technology lifecycle services.

Powerful computing to drive tomorrow's applications

Rugged, student-ready durability
Built and tested to withstand daily wear and tear with drop-resistant construction, reinforced ports and hinges, and a spill-resistant keyboard.

Cost-effective efficiency
Powered by the energy-efficient MediaTek Kompanio 540 ARM processor, it delivers fast, responsive web performance and seamless multi-tasking for modern educational apps. Reduced high thermal or power demands keep hardware costs low and battery life exceptionally high.

All-day learning
Optimized for all-day use on a single battery charge, to ensure students can get through a full day without stopping for charging.*

Next-gen Wi-Fi 7 connectivity
Features the latest Wi-Fi 7 technology for lightning-fast speeds and solid connection, ensuring smooth video streaming and test-taking even on crowded school networks.

Effortless management and security
Integrates seamlessly with Chrome Education Upgrade, empowering IT administrators to easily set policies, deploy, lock down, and manage devices remotely.

Order in CTL's bulk box
Save time, go green on packing supplies, and save IT unpacking labor with CTL's convenient 8-pack bulk box.

Ensure sustainability
Build a better future with CTL, a Certified B Corp, offering responsibly-sourced components, at least 30% post-consumer recycled plastics, FSC eco-friendly packaging, trade-ins, and electronics recycling end-of-life programs.

Flexible purchase options
Buy or lease according to your program needs.

* Battery life may vary based on device and upon usage and other conditions.

Rugged performance and sustainability

Certified B Corporation · Military Grade MIL-STD 810H · FSC · Green Business Benchmark Platinum Certified 2023 · ENERGY STAR · Responsible Business Alliance · EU Ecolabel www.ecolabel.eu

Technical Specifications

The new CTL Chromebook PX111M Series delivers immersive online learning all day long with efficient processing speed, next-gen Wi-Fi 7, and long battery life.

Future-proof performance
Advanced MediaTek Kompanio 540 processing, 4 or 8 GB of RAM, 64 GB of storage, and Wi-Fi 7 enable seamless multi-tasking, content streaming, and managing the apps of today and tomorrow.

Cool blue
Fresh and modern, the cover is a student-friendly midnight blue.

Get more I/O
Two charging USB-C ports, two USB-A ports, and an audio jack provide an abundance of I/O options.

Lifetime support
CTL offers unlimited extended warranties and accidental damage protection plans for up to 4 years, while Google Automatic Updates are active through 2036.

Get MIL-STD 810H-tested durability
Work through anything with the spill-resistant keyboard, moisture-resistant track pad, and easy single key replacement. Devices are drop-tested from 75 cm—the height of a student's desk.

Collaborate clearly
Enjoy crisp video with the rugged 720p HD front-facing webcam with privacy shutter.

Smart hinge design
The robust 180° lay-flat hinge avoids over-extension damage.

Additional Warranty and Service Plans

Warranties on Refurbished Devices

Refurbished devices purchased from CTL include a zero-deductible, 150-day limited warranty covering parts, labor, and free one-way shipping. Upgradeable to one year with two-way shipping.

Out of warranty? No problem.

Our prepaid accident protection packs are not tied to serial numbers and can keep your CTL equipment up and running for longer.

View all warranty information at **ctl.net/pages/warranty**.

ACCESSORY ITEMS

Available Companion Products

Get the most from your investment. Manage your devices with licensing and extend their use with additional peripherals.

Google Chrome Education Upgrade licenses

CTL is authorized to bundle licenses with your device purchase. Licenses qualify for education, government, and volume discounts.

Magnetic breakaway USB-C adapters

Our innovative design prevents damage to your USB port, saves wear and tear on your AC adapter, and allows for easy plugging and unplugging of cables.

Logitech Zone Learn wired headset – USB-C jack over-ear

This headphone meets the needs of young learners with a comfortable fit and feel. It offers excellent acoustic performance, resistance to wear and tear, and is MIL-STD-810G tested.

Chromebook Carts

CTL provides a comprehensive selection of high-quality charging carts from top brands. With different sizes and features to choose from, our selection caters to classrooms of all sizes, ensuring each student has access to a fully charged Chromebook.

ABOUT CTL

Your One EdTech Lifecycle Partner

For school tech leaders stretched thin, CTL is more than a vendor—we're your strategic technology lifecycle partner. CTL replaces transactional vendors with a side-by-side partnership, delivering the most complete set of award-winning products, services, and software to streamline your entire EdTech lifecycle.

Today, customers in more than 65 countries rely on CTL's Chromebooks, Chromeboxes, and video collaboration tools, as well as deployment, maintenance, and IT asset disposition lifecycle services.

CTL's expertise has earned designations as a Google for Education Premier Partner, a Google Cloud Partner, and an Intel Technology Platinum Partner.

In 2024, CTL was officially certified as a B Corp™ for its sustainability and social responsibility commitments.
